Past Performance

COMPANY OVERVIEW

The Language Bank, Inc. delivers professional translation, interpretation, ASL/CDI, OPI/VR1, language access, and multilingual project management services for federal, public-sector, and regulated environments. TLB supports agencies and prime contractors with scalable, secure, and quality-controlled language services across civilian, defense, homeland security, legal, healthcare, education, and emergency-response settings.

CORE COMPETENCIES

- Translation and certified translation
- On-site interpretation, OPI and VR1
- ASL and Certified Deaf Interpreter services
- Court, legal and immigration interpreting
- Medical, behavioral health and public-sector interpreting
- Voice-over, dubbing, subtitles and localization
- Desktop publishing and Section 508 remediation
- Multilingual project management and QA

DIFFERENTIATORS

- 30 years of continuous operation
- More than 300 languages supported
- Nationwide network of linguists and interpreters
- Federal past performance with major agencies
- Dedicated project management and rapid response
- Experience in regulated and high-sensitivity environments
- Quality assurance and confidentiality-focused workflows

PAST PERFORMANCE

- SSA - Nationwide interpretation and language access support
- DHS - Translation and interpretation services supporting mission requirements
- CBP - ASL and CDI services supporting ports of entry
- DoD - Language support for federal mission needs

MISSION FIT

Best suited for SAM.gov, SBA Small Business Search, federal contracting officers, small business specialists, prime contractors, Industry Days, Sources Sought responses, RFIs, and initial capability briefings.
